UVODNE BESEDE

23. Mednarodni festival sodobnih umetnosti – Mesto žensk se odvija v času, ko se spominjamo 100. obletnice oktobrske revolucije, katere začetek je tesno povezan z bojem za enakopravnost žensk v družbi. Tako je zaznamovan s pretresanjem norm in nepristajanjem na ideje, ki jih konzervativne in nacionalistične ideologije ponovno propagirajo kot nekaj naravnega. Zato letošnji festival Mesta žensk s sloganom **nacija_natura_norma** odpira prostor odličnim, provokativnim in angažiranim umetniškim predlogom. Umetnice_ki bodo spregovorile_i o splavu, o legalno nepriznanih in ne-normativnih družinah, o biologiji in feminismu ter o taktikah uprizarjanja spola. Poleg razstav in predstav bodo v programu tudi delavnice, pogovori in konferenca, druženje pa se bo zaokrožilo ob glasbenih večerih ter ob enkratnih filmskih projekcijah, ki bodo dale misliti tudi mlajši publiki. **Dobrodošle_i v Mestu žensk!**

Ekipa Mesta žensk

Videti je, da nam ne preostane nič drugega, kot da se ravnamo po Beauvoir in njeni formuli **Ženska se ne rodi, ženska to postane**. Kakor da bi sledila politiki osebnega zaimka, ki jo je Julia Kristeva v intervjuju za pariški *Le Monde* spremenila v formulo **Ženska se ne rodi, ampak jaz to postanem**. Naj sledimo tej variaciji slavnega feminističnega slogana, pa naj se, v sivi coni postajanja, nekje vmes med jugoslovanskimi utopijami in nordijskimi feminističnimi heterotopijami, strastno zaženemo v branje filozofske tradicije in feministične inovacije, vse do razsežnosti, ki jim ni para? Videti je, da je zdaj pravi čas, festival *Mesto žensk* pa pravo mesto za to. **Ženska se ne rodi, toda »mi« to pravkar postajamo.**

Dr. Eva D. Bahovec,
častna predsednica društva Mesto žensk

INTRODUCTION

The 23rd International Festival of Contemporary Arts – City of Women is taking place at the time of remembrance of the 100th anniversary of the October Revolution, the beginning of which is closely connected to the struggle for equality of women in society. Thus, it is marked by the shaking of norms and not conforming to the ideas that are – by conservative and nationalistic ideologies – again being promoted as natural. This year's festival, with the slogan **nation_nature_norm**, is therefore opening space to excellent, provocative and socially committed artistic suggestions. The artists will talk about abortion, legally unrecognized and non-normative families, biology and feminism and gender performance tactics. Besides exhibitions and performances, there will also be workshops, discussions and a conference in the programme, whilst socialising will be wrapping up in the evenings with music and unique film screenings, which will make even the younger public think. **Welcome to the City of Women!**

City of Women Team

It seems all we can do is orient ourselves according to Beauvoir and her formula, **One is not born, but rather becomes, a woman.** As if I were following the personal pronoun politics, which Julia Kristeva (in her interview for the Parisian *Le Monde*) changed into the formula, **One is not born, but rather, I become, a woman.** Let us follow this variation of the famous feminist slogan; in this grey zone of becoming, somewhere in between Yugoslav utopias and Nordic feminist heterotopias, let us passionately throw ourselves into reading about philosophical tradition and feminist innovations – up to the unimaginable dimensions? It seems the right time is now, and the right place is the *City of Women* festival. **One is not born, but rather 'we' are becoming, a woman.**

Honorary President of the City of Women Association

Na meniju bodo poleg sestavin za skupno pripravo obroka izbrana besedila iz zgodovine in sodobnosti feminizma. There will be on the menu – besides the ingredients for common preparation of a meal – selected texts from the history and contemporaneity of feminism. While reading the texts and in discussion about them, the feminist reading canteen will be dedicated to debates about reproductive rights, alternative forms of social organisations and different ways of life reproduction.

MAPIRANJA SORREL HAYS / MAPPING SORREL HAYS

Koncert / Concert, 90'

Kompozitorka Sorrel Hays ozvoči preslišana življenja žensk in/ali lezbijk. Na odru se srečajo Gertrude Stein, ki je zdaj kartografinja na Veneri, Simone de Beauvoir, Bella Abzug itn. In čebele. Avtorica preko modernističnih libretov in prav takšne zvočne kompozicije zareže v zgodovinsko odsotnost žensk in/ali lezbijk ter ponudi potentno prihodnost, ki bo, upajmo, zopet ozaveščen razredni boj.

The composer Sorrel Hays makes the overlooked lives of women audible. They meet on a stage. Gertrude Stein is a cartographer on Venus. There are Simone de Beauvoir and Bella Abzug. And bees. Through modernist librettos and compositions, she cuts into historical absence of women and/or lesbians, and offers a possibility for a potent future, which will hopefully again be a conscious class struggle.

Koncert je zaključni dogodek festivala Topografije zvoka (ŠKUC).

The concert is the concluding event of the Festival Topographies of Sound (ŠKUC).

O SPLAVU / ON ABORTION

Otvoritev razstave / Exhibition Opening

O splavu dokumentira in pojmuje nevarnosti in škodo, ki jih ženskam povzroča manko legalnega, varnega in prostega dostopa do splava. Ko spleta svojo mrežo vprašanj okoli etike in morale, Abril tudi ustvarja niz vizualnih in tekstovnih manifestacij družbenih sprožilcev, stigem in tabujev okoli splava, ki so bili do sedaj nevidni.

On Abortion documents and conceptualizes the dangers and damages caused by women's lack of legal, safe and free access to abortion. As she weaves her net of questions around ethics and morality, Abril also creates a series of visual and textual manifestations of the social triggers, stigmas and taboos around abortion that have remained invisible until now.

ESZTER SALAMON (HU/FR/DE) MUZEJ VALESKE GERT / THE VALESKA GERT MUSEUM

Performans / Performance, 120'

Muzej Valeske Gert deluje skozi zbir performativnih dejanj, povezanih z življenjem in delom prezrte nemške dadaistične umetnice Valeske Gert, ki je ustvarila radikalno performativno umetnost, s katero je eksperimentirala z družbenim spolom, raso, narodno identiteto in estetiko. Ob ponovnem razmisleku o pojmih spomina in arhiva ta utelešeni muzej uporablja vso arhitekturo gostujočega muzeja.

The Valeska Gert Museum operates through a collection of performative acts related to the life and work of the overlooked German dadaist artist Valeska Gert, who created a radical performing art by experimenting with gender, race, national identity and aesthetics. While rethinking notions of memory and archive, this embodied museum uses the entire architecture of a hosting museum.

Otvoritev filmske instalacije
/ Opening of the Film Installation

Eksperimentalni film o nezaželenem življenju brez otrok v svetu, kjer normativno heteroseksualni odnosi narekujejo, kdo in na kakšen način lahko postane starš. Ko gre za reprodukcijo, nas naša neusmiljena telesa skrčijo zgolj na določen biološki spol ali dani družbeni spol. A hrepeneњe po otrocih ni omejeno na naša telesa, kajti zmožnost nosečnosti je mogoče podariti, deliti in se je lotiti skupaj.

Experimental film about unwanted childlessness in a world where normative heterosexual relationships dictate who can become parents and in what way. When it comes to reproduction, our merciless bodies reduce us to merely a set sex or given gender. But the longing for children is not limited to our bodies, and the possibility of pregnancy can be gifted, shared and undertaken together.

Na otvoritvi se bo z Anno Linder pogovarjala Jasmina Šepetavc.

DRUŽINE DRUGAČE / FAMILIES OTHERWISE

Pogovor / Discussion, 90'

Kdo v Sloveniji sme biti starš in kdo je brez otrok proti svoji volji zaradi pravnih ovir? Kako podružbiti starševsko skrb onkraj širšega so-rodstva in institucij? Kako se upreti idealizaciji in esencializaciji materinstva? V kakšnih oblikah družin živimo in kakšnih družin bi si že zeleli? O tem bomo razpravljale_i ob konserativnih in liberalnih stališčih ter navkljub le-tem, ki nam želijo narekovati svoje odgovore.

Who in Slovenia can be a parent and who is childless against their will due to legal obstacles? How to render parenthood a social matter, beyond wider blood relations and institutions? How to revolt against the idealisation and essentialisation of motherhood? In what kinds of family forms do we live and what kinds of family forms would we want? We shall be discussing all these questions, despite conservative and liberal standpoints that would dictate their answers to us.

GERMAINE DULAC je bila ena od prvih feminističnih filmark in ključna figura francoske avantgardne scene dvajsetih let 20. stoletja.

GERMAINE DULAC was the first feminist filmmaker (that we know of) and a key figure in the French avant-garde scene of the 1920s.

MARCELLE THIRACHE je svojo umetniško pot začela s fotografijo, kasneje pa razvila nenavadno spretnost ročnega slikanja na Super 8 filmski trak.

MARCELLE THIRACHE began with the practice of photography, and later developed a peculiar skill consisting of hand painting directly on a Super 8 filmstrip.

KLARA LIDÉN improvizira z oblikami, ki pogosto posnemajo obstoječe strukture, da bi se izognile njihovi nadzorovalni funkciji.

KLARA LIDÉN forms are in relation to built environments, often mimicking existing structures in order to evade their policing function.

MAJA BORG v svojem delu že desetletje raziskuje pomenoslovje vizualnega jezika in eksperimentira z oblikami, da bi vsebino potisnila preko meje uveljavljene misli.

MAJA BORG has been exploring, for a decade, the semantics of visual language, experimenting with form in order to push content beyond the limits of established thought.

MARIE LOSIER je filmarka in bivša kuratorka, ki je ustvarila številne filmske portrete avantgardnih režiserk, glasbenic in skladateljic.

MARIE LOSIER, filmmaker and a former film curator, has made a number of film portraits on avant-garde directors, musicians and composers.

LOV NA UPANJE / HOPE HUNT

Plesna predstava / Dance Performance, 60'

Oona Doherty vas na skupnem živčnem sistemu popelje skozi umazano Evropo in uprizarja destilacijo moškega. Lov na upanje je poskus dekonstrukcije stereotipa neprivilegiranega moškega in njegovega privzidnjenja v svetel bel limb Carravaggia.

Virtuosic states, Doherty takes you through a dirty Europe, on a shared nervous system, an attempt to deconstruct the stereotype of the concrete disadvantaged male, and raise it up into a Caravaggio bright white limbo.

Predstava je bila nagrajena za najboljšo izvedbo in nominirana za najboljšo predstavo na Dublin Tigre Fringe Festivalu 2016 in za Total Theatre Award Edinburgh Fringe 2017 ter izbrana v Aerowaves Twenty17.

The winner of the Dublin Tigre Fringe Best Performer 2016; nominated for Dublin Tigre Fringe Best Production 2016 and for Total Theatre Award Edinburgh Fringe 2017; Aerowaves Twenty17 selected.

Predstavi sledi DJ set Roryja Moora in otvoritev razstave kolažev Globinsko čisto, s katerimi Oona Doherty s podobami, ki nastajajo ob njenih ko-reografiskih procesih, vstopa na polje vizualnega.

The performance will be followed by Rory Moore's DJ set and the exhibition opening of Doherty's collages The Deep Clean, which are composed of images that haunt and accompany her creative processes.

IRENA PIVKA, BRANE ZORMAN (SI) HODI.TI / 2.WALK

Lokacijski večmedijski performans, premiera
/ Locational Multimedia Performance, premiere, 40'

Performans je zvočni sprehod, ki ga gledalka_ec obhodi po vnaprej začrtani poti s pomočjo aplikacije na telefonu. Hoja kot politična akcija, kot mogoči način upora – toliko bolj, ko si čas in prostor za hojo prilasti ženska. Tista ženska, ki ima družbeno reguliran in posledično tudi samoreguliran dostop do časa za hojo. Hoditi, pešačiti, stopati, korkati, marširati ... premakniti se.

The performance is a sound walk that the spectator takes down a pre-delineated path which they follow by a mobile app. Walking as a political action, as a possible way of resistance, so much more so when it is a woman who seizes the time and space to walk – the woman who has a socially and, consequently, self-regulated access to the time to walk. To walk, to hike, to step, to march ... to move.

Otvoritev razstave / Exhibition Opening

Razstava predstavlja projekte, ki kombinirajo umetniške in znanstvene postopke in pristope za izgradnjo alternativnih modelov relacij z nečloveškimi drugimi – naj-sibо rastlinskimi, živalskimi ali tehnološkimi – relacij, ki ne bi temeljile na privilegiranju človeškega. Taka neantropocentrična perspektiva odpira prostor za nove koncepcije in konfiguracije življenja in prihodnosti ter predstavlja izziv tudi za sodobno umetnost, saj terja prevpraševanje njene humanistične podlage.

The exhibition presents projects that combine artistic and scientific approaches in order to construct alternative models for relating with the non-human other models – be it vegetal, animal or technological – not based on privileging the human. Such non-anthropocentric perspective opens up a space for new conceptions and configurations of life and the future, thus challenging as well contemporary art while questioning its humanist grounding.

Srečanje / Networking

Srečanje lokalnih, regionalnih in mednarodnih feminističnih in LGBTIQ mrež, ki delujejo na področju kulture, se bo začel s kratkimi predstavtvami določenih družbenopolitičnih kontekstov, ki vplivajo na tematske usmeritve in metode dela omenjenih mrež. Če politična umetnost govorji neizgovorljivo in si predstavlja nevidno, kako – kot pobudnice_ki in producentke_i – krmariti med Scilo in Karibdo institucionalizacije in kapitalizacije tako umetnosti kot tudi politike spolov?

The networking of local, regional, and international feminist and LGBTIQ groups working in culture is going to start off with brief presentations of specific socio-political contexts that affect their respective thematic focuses and working methods. If political art speaks the unspeakable, envisions the unseen, how do they, as initiators and producers, navigate between the Scylla and Charybdis of institutionalisation and capitalisation of both art and gender politics?

ARHIV KOT PROCES. KAKO ARHIVIRATI SODOBNE SCENSKE UMETNOSTI IN JIH OHRANJATI ŽIVIM? / THE ARCHIVE AS A PROCESS. HOW TO ARCHIVE CONTEMPORARY PERFORMING ARTS AND KEEP THEM ALIVE?

Regionalna konferenca / Regional Conference

Z osredotočanjem na sodobne scen-ske umetnosti se sprašujemo, kako zastaviti proces arhiviranja, ki bi ohranjal življenje umetniških del (performansov, predstav, happenin-gov, instalacij) in omogočal njihov ogled širši javnosti. Kaj proces arhi-viranja prinaša v vsebinskem smislu, kako kontekstualizirati material, kako ga klasificirati, kako se izogniti muzejskosti, zapiranju v kanon, v predel, v zgodovino?

Focused on contemporary performing arts, we question ways in which to form the process of archiving so as to preserve the life of artistic works (performances, happenings, installations) and allow them to be seen and experienced by a broader public. What does the process of archiving brings in terms of content? How to contextualise the material? How to classify it? How to avoid the 'character of a museum'? How to not close the work into a canon, a drawer, history?

PIA BREZAVŠČEK je otroka rodila v medenični vstavi, vaginalno. Meni, da je to njen največji dosežek. Ima rahlo povešen maternični vrat, a bilo je vredno. Je skoraj idealna mati.

PIA BREZAVŠČEK gave vaginal breech birth to her child. She believes this is her biggest achievement. Her cervix is prolapsed, but it was worth it. She is an almost ideal mother.

BARBARA KRAJNC AVDIĆ je prvega otroka rodila s carskim rezom. Takrat je verjela, da je skoraj idealna mati. Nato je rodila tudi drugega otroka. S carskim rezom.

najčistejša cvetka raja,

crucial for society and state.
My breasts are the fountain of life,

the cleanest flower of paradise,

MATILDA AND HER BUNS

Burleskni performans / Burlesque Performance, 60'

Matilda je ženska, vsaj ponavadi je videti kot ženska. Ni umetnica, vendar najde navdih v vsakdanjih stvareh, kot so banane in opice, bazi in mleko, elastan in trikoji, diskoplesi, njene prsi, in v konceptih, kot so ženska, mati, družina, dvoumnost, neumnost in svoboda. Matilda rada poje, udarja po bobnih in piše pesmi. Dela s podobami, ki izhajajo iz njenih sanjarjenj, vendar ne izključno. Oder je njen dom in tam resnično zaživi.

Matilda is a woman; at least, she usually looks like one. She is not an artist; however, she does find inspiration in ordinary things, like bananas and monkeys, swimming pools and milk, spandex and leotards, disco dancing, her breasts, and concepts like woman, mother, family, ambiguity, foolishness and freelance. She loves to sing, slam the drums, and write songs. She is working with images that spring from her daydreams, but not exclusively. The stage is her home and a place where she is truly alive.

13.30: PREDAVANJE / LECTURE

Umetnica nas bo vodila skozi pri-poved svoje fotoknjige Lobismuller (ženska-volk), ki ponovno gradi – z ženskega zornega kota – zgodbo naj-bolj skrivnostnega in krvoželjnega serijskega morilca v španski zgodo-vini, znanega kot Manuel Blanco Ro-masanta in rojenega kot Manuela, ki je – glede na nove forenzične teorije – živel z redkim sindromom inter-seksualnosti.

The artist will lead us through the narrative of her photobook project Lobismuller (woman-wolf) that re-constructs, from a female perspec-tive, the story of the most enigmatic and bloodthirsty serial killer in Span-ish history, known as Manuel Blanco Romasanta, named at birth as Ma-nuela, who, according to new forensic theories, lived with a rare syndrome of intersexuality.

16.00–20.00: DELAVNICA / MASTERCLASS

Na delavnici se bomo osredotočale_i na analizo in gradnjo različnih vrst pripovedi ter se seznanile_i z nizom orodij za boljšo predstavitev pro-jektov, ki so prilagojeni različnim platformam, kot so fotoknjige ali fotoinstalacije. Umetnica bo na pri-meru svojih dolgotrajnejših pro-jektov udeleženke_ce spodbudi-la k snovanju fotografiskih serij z metodami razširjenega mišljenja in preko skupinskega dela. Delavnica je brezplačna. Prijavnica je objavljena na www.aluo.uni-lj.si.

The master class will focus on the analysis and construction of differ-ent narratives and will provide a series of tools to enhance the sto-rytelling of each project, adapted to various platforms as photo books or installations.
